### Parking Guidelines

This Parking ID should be displayed on your dashboard when in the Estates.

Please only park in places designated for the Estate you are visiting. Please do not park in another Estate's parking area without permission from that homeowner.

If there are not enough parking places available, you may find additional parking at the Cedar Glen Pool or the Estates Pool.

Please do not park on the roadways or block common driveways. Large emergency vehicles **MUST** be able to easily access any home at any time.

There is no automobile parking available at the community docks.

Trailers may only be parked in a parking space designated for your Estate or left in the gravel area at the boat launch area for two weeks or less.

*Thank you for your cooperation - Enjoy your visit!!*
